Plaintiff,

v.

COUNTY OF MARIN, etc., et al.,

Defendants.

Case No. C-04-3332 SBA

**STIPULATION TO EXTEND  
COMPLETION OF MEDIATION AND  
ORDER**

The parties were ordered to complete early mediation by June 24, 2008. During a conference call with the mediator, Koorosh Afshari, we concluded that the conflicting schedules of the mediator, attorneys and parties made it difficult to schedule the mediation before June 24. In addition, the parties are still in the process of informal disclosures and formal discovery has not commenced. Both plaintiff's counsel and myself believe that mediation is likely to be more productive if the parties had more time in discovery before the mediation.

Consequently, we request that the Court extend the deadline for completion of the mediation to August 24, 2008. This would permit the parties to be further along in discovery and

1 would also provide more options to find a date on which all counsel and parties could be available  
2 for mediation. Plaintiff's counsel, Mr. Hughes and Mr. Afshari concur in the request.
